

ILLUSIONS OF ADULTING

by Sara Zimmerman

I'm so
depressed.

I know!
I'll call my mom.
That will make
me feel better!

Hi Mom.
Yes, it was good
to see you over
the holidays, too.

"I really love my
life here in
California living
with Steve...

...but, I was really hoping Steve
would propose to me over the
holidays. It's making me so
DEPRESSED that it's not happening.
It has been 5 years now."

Yes, I have hinted
numerous times.

No, I don't want
you to talk to him.

Yes, I want you to
have grandchildren.

Geez, Mom!
Of course I am
frustrated!

Hailey, did you
have a nice call
with your mom?
